SPECIAL PRESENTATION

To help us celebrate National Nutrition Month and Dentist's Day, we will have a guest speaker on Monday, March 9th. She expects her presentation to last until about 11:45, so AM kids who are normally picked up at 11:30, should be picked up at 11:45 that day. We hope to learn a lot about nutrition and dental health!

Cathy's Corner

As I make a lesson plan about the
Trinity for the preschoolers, I am
reminded of all that God is to us:
He is Father, Brother, Friend,
Energizing Spirit, Creator,
Comforter, Healer and Savior.
What gifts each of these
relationships brings. I am so glad
that as Christians we don't serve a
one dimensional God. We are
blessed to have all of this
available to us in one God! Next
time you see a shamrock,
remember that each of the three
leaves represents one part of the
Trinity. Thank you Lord for all
that you are!
